## Women's Stockings 35c

Regular 50c Quality at ..

We came across a wholesaler who wanted to clean up his  
stock, and we bought 200 dozen pairs of these regular 50c  
stockings at a concession.

The lot consists entirely of Women's Fine Quality Mer-  
cerized Silk Stockings, full fashioned, with garter top. War-  
ranted fast black. The brilliant, glossy luster gives them the  
exact appearance of all-silk stockings.

Tomorrow at 35c a pair—three pairs for one dollar.

# 36,000 Pieces of Fine White Vitrified China

## At ½ and ⅔ Less Than Regular Prices

### PERFECT GOODS—NOT CHIPPED OR DAMAGED

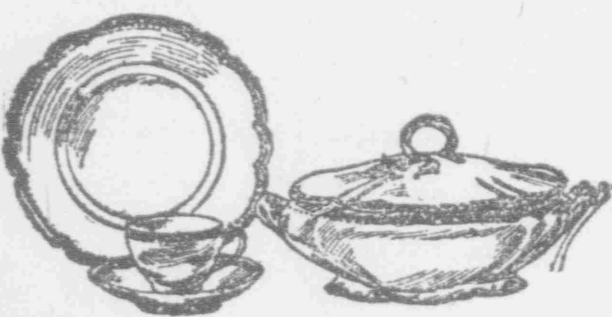

This great sale of fine quality white Vittrified China will go on record as the most sensational, the timeliest, and the most welcome event of its kind ever held in Washington. No doubt you will ask, how is it possible to sell fine white Vittrified China at 50c and 33c on the dollar? The reason is this—we purchased the entire output of a large pottery which was compelled to dispose of its stock for cash, and which we secured at our own price.

Please remember—this is genuine White Vittrified China, and is guaranteed against crazing. It will not turn black after lengthy use, but will always retain its snowy white appearance.

Inauguration is not far off, and supplies of this kind will be needed in almost every home, as

well as in boarding houses and hotels. The money-saving advantages of this purchase will prove a blessing to many a household.

We cannot supply dealers, although they would be very glad to buy supplies from us to sell at higher prices—the sale prices being much below usual wholesale cost.
